

Girls on Top 2008

ARE YOU READY FOR ADVENTURE ?
DO YOU HEAR THE CALL ?
IS 2008 THE YEAR YOU JOIN OUR TEAM ?

AN INVITATION

Join us & live your dream: Andes to Amazon 2008

If the idea of testing your limits, stretching your boundaries, exploring the world & making a difference appeals to you, we want to hear all about it!

Each year Girls on Top search the country for women to take an adventure in self discovery, attitude adjustment, vision, determination & contribution. Our unique expeditions are journeys of self discovery as well as explorations of the world's wonderful places.

Our expeditions are not just about trekking & climbing, they are an exploration in motivation, community, purpose & spirit.

We choose the world's mountain ranges as a workshop, & pick team members who show spirit & sensitivity, passion & compassion, daring, & the ability to reach out for their dreams. If you would like to join us in our quest to raise funds to conserve the Amazon, to explore ourselves and reach out for our dreams on a unique month-long expedition in South America in August 2008 - it's time to apply for a place on the team.

Visit our site to see how it works—you'll soon know if this is for you.

Girls on Top was the greatest adventure of my life.

*Emma Hoppe,
